

# APPLICATION TO THE KIKUCHI MUSIC INSTITUTE

## *Featured Student Program*

The KMI Featured Student Program is TOTALLY VOLUNTARY. The technical requirements for participation are listed below, and the faculty will usually approve all applications providing the student has at least ONE recorded recital performance that is worthy of displaying for the public. Performances to be displayed do not have to be superior or perfect, they simply cannot be "bombs" (filled with mistakes, false starts, hesitations, or memory errors). Once accepted the student will remain a Featured Student while the student remains enrolled at KMI, or until the student submits a letter requesting withdrawal from the Featured Student Program.

### Requirements:

- 1) Student MUST have participated in at least ONE KMI recital that is worthy of display on the web site.
- 2) Student MUST submit an application to participate.
- 3) Student MUST be a current student at KMI or a student of one of the KMI faculty.
- 4) Student and parent MUST sign a release agreeing to be featured on the web site.
- 5) Faculty MUST approve the student's application to be featured.
